### Note on Pricing

Design Within Reach strives to fill all orders at the price quoted on the [dwr.com](http://dwr.com) web site or in the catalog. However, from time to time a price may be misquoted due to computer or other error. In such instances, Design Within Reach reserves the right to cancel or limit any order. You will be refunded for any payment you might have made for item(s) that have not been shipped due to cancellation or limitation of an order.

### Discount Policy

At DWR our pricing policy is simple: No inflated list prices to allow for superficial "discounts" that don't really save you anything. Instead, we have a simple volume pricing policy that's based on your total annual business with us - not just a single order. Since we count your past business with us, your discount will appear when you log in with your customer

information in the checkout process. Discounts cannot be combined with any other offer or promotion. Our "best pricing" policy affords you the greater discount available.

Cumulative Purchase Amount\*

\$10,000 to \$24,999	7%
\$25,000 to \$49,999	10%
\$50,000 to \$74,999	12%
\$75,000 to \$99,999	15%
Over \$100,000 Discount	17%

\*Cumulative pricing does not include returned items. Annual purchase period includes orders from January 1 of current year.
